CIVIL WAR AT LONDONDERRY

LONDONDERRY, June 21 Rioting was resumed this morning and resulted in one person mortally wounded and two seriously hurt. Rifle and revolver firing was almost continuous. As people feared to venture out to work business was virtually at a

LONDON, June 21.—Civil war conditions prevail in Londonderry and the nuthorities are powerless, it was declared in an Exchange telegraph disputch from Londonderry this afternoon Several additional persons were killed this morning during rioting there, according to this message.

telegram form Carl Young re ceived by the Bonanza stated that Thomas R. Bannerman, organizer of the first water company in Tonopah died Saturday in San Francisco where the burial took place this morning. No information of the ill ness was given. 1425.83

Thomas R. Bannerman was a pio peer of Tonopah, Nevada, He came here in the very early days of the camp and was an owner in the Lit tle Tonopah Mining Company which the Tonopah district. The property was afterwards taken over by the Tonough Extension Mining company and now is the best producing prop erty in this camp. The people associately iated with Mr. Bannerman were Di Clinton, Henry Dockwiller, who after wards was City Engineer of San Francisco and others. Tom Banner man was also the first president of the Mizpah Club, the pioneer social organization instituted on the desert It was under his management that members of the San Francisco Stock (By Associated Press)
CAMBRIDGE, Mass. June 21. camp. He was a very active, public ent a sorry spectacle." be adhered to without fear or favor, ratic progress." A son, James S. Bannerman, dies in Coldfield, April 22, 1905, after Br Bowes and every physician of the two camps were enlisted in an effort to save his life.

His long, active life saw many change. He left ireland practically the government of the United States been his residence before his advent on the desert, he was appointed Superintendent of Public Instruction of that city by Mayor Taylor, which MINNESOTA HOLDS position he held for a term.

Men all over the desert will be sorry to learn of Tom Bannerman's passing His was a character found among those who lay the foundation of a nation and rear its subsequent structure to the benefit and happiline of posterity. He was recently seen in San Francisco by a gentlemus from Tonopah and it was remarkable what an enthusiastic appreciation he displayed for the derecopments of Tonopah and how census of San Diego shows a popu at Rincon today after he admit-Cuarly he followed the progress of
